INTERVIEW SKILLS

Key Points:

STAR Approach

- 1.Situation:** Begin by describing the situation or context. Explain the background or scenario you were in.
- 2.Task:** Explain the specific task or goal you needed to achieve within that situation. What were you trying to accomplish, and what were the expectations or challenges associated with it?
- 3.Action:** Detail the actions you took to address the task or challenge. Describe what you did, step by step. Focus on your contributions and what you personally did to make a difference.
- 4.Result:** Finally, share the outcome of your actions. What happened as a result of your efforts? Be specific about the positive results, impact, or achievements. Quantify your results when possible (e.g., "Increased sales by 20%" or "Reduced project completion time by two weeks").
